

# MoreMoney Network

Online visit **USA1USA.com**

**This is your personal invitation** from the USA1 MoreMoney Network! Never run out of cash or stamps again!

When you join USA1 with your one-time enrollment cost of only \$20 and one book of US stamps, you are buying an initial supply of top-quality mailing leads (on peel-n-stick labels) that normally sell for more than \$25.00, and purchasing a \$29.95 book detailing a top marketing system that should greatly help you to promote any direct mail business or Internet enterprise. In other words, you receive a total and very real value of more than \$54.95 for an initial one-time expenditure of only \$28.80. You also are agreeing to consider sending a one-time gift of \$80 and one book of 20 stamps to the person whose ID number appears in the #1 spot on the list below; that person's name and address will be sent to you in your Welcome Package along with your leads on mailing labels, your own Master Copy of this info sheet, and your other materials. Giving of a gift in the USA1 Program is optional and not required of any participant. To join the USA1 Program FREE of charge, receiving no mailing labels and no marketing book, send a completed form to the address below with "FREE" written at the top of this sheet.

**As others join USA1, it could take only a few weeks for your ID number to reach Position #1 on thousands of these flyers (or postcards) all over the USA. One of the chief benefits of USA1, in addition to the above, is that this program is easily affordable for everyone, with no large risk because there is no large expense or contribution.**

**EXPECT HIGH RESPONSE RATES!** Assuming that people participate in USA1 MoreMoney Network at the minimal suggested levels, a possible 2,000 incoming donations mean \$160,000 and 2,000 books of stamps coming to you by US mail or by a reputable courier service (FedEx, UPS, DHL, USA Couriers, etc.) Most programs take too long to produce results. With USA1, when your ID number reaches the #1 position, it's YOUR turn to enjoy \$80 gift donations coming directly to you by mail or courier delivery. (You understand, however, there can be no promise or guarantee of any gifts to a participant.)

**Help one person, one time, and you qualify to receive unlimited \$80 gifts plus unlimited stamps. You have a LIFETIME MEMBERSHIP in USA1 when your one-time gift is verified.**
